

## Mackay Cricket Association - Minimum Age Exemptions

This policy allows for exceptional circumstances when an underage player as per the MCA Rules should be allowed to participate in MCA Senior Cricket competitions.

Clubs should only apply for players that have been assessed by the Club Coach as clearly being capable to perform to a high standard in MCA Senior Grade Competitions.

Any Club applying for an exemption must first complete the minimum age exemption application form in order for an appointment to be made with the MCA nominated assessor

Approval is required before participating in any MCA Senior Grade Cricket match. The time-frames for approval are subject to the availability of MCA assessment personnel.

Please complete the form below and submit to Mackay Cricket Association – [sportsops@harruppark.com.au](mailto:sportsops@harruppark.com.au)
